Employment

Front-End Developer   **07/2023 - Present**
First Solution LLC, Prishtina
I am currently thriving in my role as a Front-End Developer at Firstolutin LLC, where I bring my passion for web development. My responsibilities encompass utilizing my proficiency in HTML, CSS, JavaScript, and Wordpress to craft responsive and engaging front-end solutions.

FRONT END DEVELOPER   **01/2021 - 03/2022**
Kutia, Prishtina, Kosova
I've worked as a Frontend Developer in many websites and online applications, giving me a broad range of skills in website design and development.

My expertise in a variety of technologies, including WordPress, JavaScript, jQuery, HTML & CSS, SCSS, Bootstrap, and Git, has allowed me to build dynamic, engaging websites that go above and beyond the expectations of my clients and users.

Certificates

Web Application in Professional Development from Europian Union | Best Student   **01/2022**
I am honored to have been awarded by the **Minister of Technology** as one of the **top students** in a prestigious training program endorsed by the **European Union** to fortify Kosovo's ICT sector. This comprehensive 280-hour program equipped me with a diverse skill set encompassing cutting-edge development techniques. The curriculum covered HTML, CSS, SEO, Bootstrap5, JavaScript, jQuery, Adobe Photoshop, and WordPress, providing me with a robust foundation in web development.

Frontend Developer Professional Certificate | Best Student   **01/2020**
Under the guidance of Beetroot Academy in Pristina, operated by Kutia, I gained comprehensive knowledge and hands-on experience in HTML, CSS, JavaScript, and the fundamentals of ReactJs. My dedication and commitment to excellence were recognized when I was selected as the **top-performing** student within my cohort.
